THE PEOPLE OF HERVEY BAY HAVE SPOKEN – THEY WILL NOT ACCEPT THE DEVELOPMENT OF THE SHERATON HOTEL

*“Let us not, however, flatter ourselves overmuch on account of our human victories over nature.
For each such victory nature takes its revenge on us.”*

– Friedrich Engels

Despite constant community backlash the development of the Sheraton Hotel/Torquay Towers are still going ahead at full speed.

Corrupt and bureaucratic Seymour and the upper-class of Hervey Bay with its landlords and big business are destroying the environment of Hervey Bay and the livelihood of its people for short-term profits over people.

During a nationwide cost-of-living and housing crises the government and capitalists responsible have the audacity to greenlight an 18 storey \$450 million tourist venture at the behest of its local population.

The traditional and unceded lands of the Badtjala People are being destroyed for profit.

The youth of Hervey Bay have no mobility and are being driven out of the city to get education, not to come back.

The people of Hervey Bay must continue to be relentless in their struggle against unjust and harmful projects that are not in their interest. The people of Hervey Bay must unite against the greed of capitalism and its destruction.
